## STATUS INQUIRY OF APPLICATION NO. 10/741,820

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

A Notice Regarding Change of Power of Attorney was mailed in the above-referenced application on October 14, 2004. This change was initiated by the inventor who had previously assigned all rights, as recognized in a recorded assignment and Statement under 3.73(b). On October 22, 2004, a Response to the Notice was filed in order to correct the improper change of attorney. However, to date no response has been received. Although Kimberly Wood, the assigned Examiner, indicated by telephone that Myers & Kaplan was correctly recognized as Power of Attorney, we remain unable to view the file electronically through PAIR via our customer number and no written communication or confirmation has been received from the U.S. Patent and Trademark Office.

Please advise us of the current status of this application and the Power of Attorney.

Respectfully submitted,  
Myers & Kaplan,  
Intellectual Property Law, L.L.C.
